Dear Mr. **Gorbachov**,

A year ago I wrote you as to the President of U.S.S.R. This time I write you as to the Nobel Prize Winner for Peace.

I would appreciate your time that you might wish to devote to the enclosed copies of my letters. They are for public use. If you could help publication of any of them in a newspaper and/or in a journal it would be very welcome.

I would be happy to hear from you.

Yours sincerely,
