Ref. ***Requests to the United Nations and Appeal***

In view of

- ° humanity, equal people's and individual rights, and antifascism for freedom and peace, as the fundamental motives for the creation of the United Nations,
- ° the UN Charter,
- ° the antifascist leadership in the Second World War as the only criterion for the permanent membership in the Security Council,
- ° the Constitution of the antifascist and pacific Socialist Federal Republic of Yugoslavia (for short: *Yugoslavia* in the sequel),
- ° the active participation of Yugoslavia in the creation of the United Nations,
- ° the constitutional right for self-determination including secession from Yugoslavia given exclusively to its peoples and not to its Republics,
- ° the international ignorance of the equal people's and human rights of the Serb people for self-determination including separation,
- ° the Appeal of July 5, 1991, (Appendix) to you or to your predecessors or Governments to respect the Constitution of Yugoslavia, and to act peacefully constitutionally for solving the problems in Yugoslavia, its complete ignorance and the opposite actions of the Occidental Governments and NATO,

- the unconstitutional dissolution of Yugoslavia, the main individual protagonist of which were Mr. Hans-Dietrich GENSCHER, the Former Minister for Foreign Affairs of F. R. Germany and Mr. Stipe MESIĆ, the last President of the Presidency of Yugoslavia, which caused the destruction of peace and crimes against humanity, provoked hate among peoples and people in Yugoslavia, initiated inhuman bloody processes and wars escalating in unjustifiable and illegitimate NATO bombings of Republic Srpska, Republics of Serbia and of Montenegro,
- the establishment of the International Criminal Tribunal for the former Yugoslavia (ICTY) against the UN Charter, without the decision of the General Assembly, as the unjust, nationalist restricted and oriented one,
- the limited competence given to the ICTY, which a priori frees of accusations and charges all those who are responsible for, or who committed, crimes in Yugoslavia, because they are not citizens of Yugoslavia,
- the ICTY protection of those who were leading the forceful and unconstitutional dissolution of Yugoslavia; its main protagonist is Ms. Carla Del PONTE, the ICTY Prosecutor,
- the ICTY protection of those who started the war and crimes in Yugoslavia, the main protagonist of which is Ms. Carla Del PONTE, the ICTY Prosecutor,
- the ICTY protection of those who organized, led and/or executed the ethnic cleansing of the antifascist Serb people from its ancestral land, the main protagonist of which is Ms. Carla Del PONTE, the ICTY Prosecutor,
- the ICTY protection of those who committed crimes against the innocent Serbs, the main protagonist of which is Ms. Carla Del PONTE, the ICTY Prosecutor,
- the ICTY hiding and protecting the true aggressors in Yugoslavia, and the ICTY representation of them as the victims, the main protagonist of which is Ms. Carla Del PONTE, the ICTY Prosecutor,
- the ICTY lies based accusations against the Serbs for starting the war and crimes in Yugoslavia, the main protagonist of which is Ms. Carla Del PONTE, the ICTY Prosecutor,
- the ICTY unjustifiable demonization of the victim people and its world wide false representation of the victim people as the aggressor, the main protagonist of which is Ms. Carla Del PONTE, the ICTY Prosecutor,
- the KFOR and ICTY protection of the re-escalation of the Albanian fascism against the Serbs and other non-Albanian people in the South-West part of Serbia - Kosovo and Metohiya, the main protagonist of which is Ms. Carla Del PONTE, the ICTY Prosecutor,
- the ignorance of the all former appeals for halting crimes and occupation of the Republic of Serbia (Serbia and Montenegro) and Republic Srpska, and for acting according to the UN Charter to achieve equal rights, freedom and peace for all peoples (to mention only the last ones: "Request for Honest Equal Rights Solution" of November 12, 2003, which was signed by 330 (three hundred thirty) persons, and "We are Ashamed and We Request" of March 18 - 22, 2004, which then was signed by 365 (three hundred sixty five) persons, and up today by 739 (seven hundred thirty nine) persons of different nationalities and citizenship's with several continents, who have trusted you, who have believed in the justice, humanity, honesty, and fairness, in peaceful democratic actions; their signatures are exposed at http://www.freeserbs.org/petitions/2004-03-06/sigs_all,

- and the personal awareness of all this as a citizen of Yugoslavia during its whole existence, of R. Serbia (Serbia and Montenegro) and of French Republic (European Union), and common people's, family and personal suffer as a consequence of the ignorance of all the pacific appeals based on the UN Charter and the Constitutions and actions against them,

I feel my self forced to submit the following Requests and Appeal to you:

GENERAL REQUESTS

- to the UN General Assembly to warn the Security Council for acting against the UN Charter by establishing, without the decision of the General Assembly, the unjust, nationalist restricted and oriented, ICTY, and to undertake worldwide effective measures against the reincarnation of the fascism,

and

- to the UN General Assembly and the Security Council to defend the UN Charter and to act consistently accordingly.

SPECIFIC REQUESTS

to the United Nations to ensure the following:

- The protected and materially supported peaceful return and safe resettlement of all the expelled persons and families to their homes and properties in Yugoslavia (in Krayina, Slavoniya, Bosnia and Herzegovina, in the South West part of Serbia - Kosovo and Metohiya, and in Macedonia) in the next six months, if they wished to return.
- The complete and strict application of the Dayton Agreement so that every deviation, distortion or ignorance of its full and rigorous implementation should be immediately stopped.
- The complete and strict application of the UN Charter and the UN Resolution 1244 so that every deviation, distortion or ignorance of their full and rigorous implementation should be immediately stopped. Hence, the immediate full interruption of the ignorance of the sovereignty of the Republic of Serbia over its whole territory that includes Kosovo and Metohiya, and the continuation of the legal and legitimate recognition of its complete sovereignty.
- The effective support to the Republic Serbia to re-establish the complete state sovereignty of the Republic of Serbia over its South West part - Kosovo and Metohiya in the next four months.
- All foreigners who do not have and who do not get permission of the Federation of Bosnia and Herzegovina or of the Republic of Srpska should leave their territories peacefully and safely in the next four months. Foreigners are those who are not their citizens.

- All foreigners who do not have and who do not get permission of the Republic of Serbia or of the Republic of Montenegro should leave their territories peacefully and safely in the next four months, except of such citizens of Republic of Albania who should leave peacefully and safely Serbia and Montenegro in the next 30 (thirty) days. Foreigners are those who are not citizens either of Republic of Montenegro or of Republic of Serbia.
- All foreign military troops should leave peacefully and safely the territory of Bosnia and Herzegovina in the next six months.
- All foreign military troops should leave peacefully and safely the South West part of Serbia - Kosovo and Metohiya - in the next six months, except all Albanian military troops (former "UCK" i. e. "KLA") and police units, which are not legally and legitimately recognized by the Government of R. Serbia, and which should leave peacefully Serbia in the next 30 (thirty) days.
- The equal right of Croats, Muslims ("Bosnyaks") and Serbs in the Federation of Bosnia and Herzegovina and the Republic of Srpska, to decide in free people's referendums whether to unite in one state recognized as sovereign (Bosnia and Herzegovina), or to stay in the current state units to be recognized as sovereign states, or to unite with their neighboring national parts into new sovereign states.
- Worldwide presentation of truthful information about all Yugoslav peoples, hence, the full interruption of the unjustifiable demonization of the Serbs.
- The full appreciation, recognition and implementation of the equal rights of the Serbs, such as of all other Yugoslav peoples, for self-determination including separation.
- The immediate dissolution of the existing International Criminal Tribunal for the former Yugoslavia (for short *ICTY* in the sequel),
- The establishment either of just Tribunals for crimes against humanity and peace (committed in Yugoslavia and in other countries) in the states military involved in wars (in Yugoslavia and in other countries), which would be in charge for their citizens, or of a just international Tribunal for crimes against humanity and peace (in Yugoslavia and in other countries), which would be in charge for any suspected criminal regardless of nationality, citizenship, state position etc.
- To open the just public juridical processes against all those who forced and/or implemented unconstitutionally the dissolution of Yugoslavia, starting with Messieurs Hans-Dietrich GENSCHER and Stipe MESIĆ,
